

Adeela Amanat

Senior Fashion Designer

PROFILE

Textile and fashion designer working across lawn, pret, semi-formal and bridal since 2017, from Head Designer at a textile house to founding and running an independent label end to end. Equally at home developing digital prints, repeat patterns and engineered layouts for seasonal lawn, directing embroidery artwork and colourways, and managing sourcing, karigars and an in-house production unit. Gold medallist in Fashion & Textile Design, University of South Asia. Seeking a senior design role with a textile house.

EXPERIENCE

Inventive Clothing — *Founder & Creative Director*

May 2024 - March 2026

Brand and Business management:

Founded and scaled an independent fashion label, growing business operations from custom lawn stitching orders into semi-formal and bridal wear.

Client Relations & Sales:

Handled direct client consultations, custom fittings, order management, and personalized design commissions for high-end clientele.

Sourcing & Production Management:

Oversaw end-to-end supply chain logistics, including raw fabric procurement, custom dyeing, trim selection, and specialized embellishment (karigar) sourcing from local markets.

Team Leadership & Operations:

Recruited, trained, and managed an in-house production unit consisting of master cutters, tailors, and hand-embroidery artisans to ensure strict quality control and timely delivery.

Jahanara — Freelance Digital Print Designer (Remote)

2020 - 2021

Served as a remote Freelance Digital Print Designer, creating original digital prints, repeat patterns, and engineered layouts for seasonal Lawn collections. Delivered print-ready artwork and curated colorways online, maintaining close collaboration with the team..

Labella — Project Designer

2020

Designed a complete Lawn Pret capsule collection, managing digital textile print development, custom embroidery placements, colorways, and garment cutlines through final sampling..

Noor Textiles — Head Designer

February 2019 - March 2020

Team Leadership & Creative Direction

- Led and mentored a multidisciplinary creative team of textile and embroidery designers to conceptualize and execute seasonal collections.
- Oversaw creative direction from initial mood boards to final garment completion, ensuring brand consistency and market relevance.

Design, Color & Embellishment Development

- Directed the development of custom embroidery artwork, specifying techniques, placement, and thread selections to elevate product aesthetic.
- Curated and finalized color palettes across fabric prints, embroideries, and trims to create cohesive collection narratives.
- Evaluated and approved all embroidery swatches and fabric samples before moving into full production.

Garment Construction & Technical Execution

- Managed the end-to-end sample development process, supervising stitching teams to ensure precise silhouette translation and high-quality finishing.
- Collaborated with technical and production teams to resolve construction, fit, and pattern challenges prior to final collection sign-off.
